SIGNORELLO
1997 PINOT NOIR-LAS AMIGAS
VINEYARD-CARNEROS

1997 Signorello Vineyard Carneros Las Amigas Vineyard. Although showing a certain kinship with its rustic cellarmate from the Russian River Valley, this very successful opus sports a fine measure of rich fruit that more than balances its tougher leanings. Neatly focused in its nose and flavors on deep, well-ripened cherryish fruit, it makes good use of rich oak from start to finish, and its lengthy aftertaste finds fruit keeping pace with firming tannins and a touch of heat. Never once for service with delicate foods, it has many years of development ahead of it.
