**CONNOISSEURS' GUIDE**  
**SIGNORELLO**  
**1999 Cabernet Sauvignon**

17% Merlot; 8% Cabernet Franc. Lavish and unrelenting oak is the story here, and, while long on sweet spice, toast and cream, the wine makes fewer claims to fruitiness than it does to oaky richness. Fairly ripe and fairly big on the palate, it toughens up in the finish as its oak goes racing past a quiet note of currants. Allow a half-dozen years of age, and then tag it for service with savory spit-roasted meat
