CHARDONNAY VIEILLES VIGNES 2005 ESTATE GROWN

The grapes sourced for this native yeast fermented Chardonnay were hand picked and carefully selected from the original vineyard planted nearly 30 years ago. These old vines are farmed at extremely low yields to **accent** the **bright** apple and pear crispness, **lush** palate and touch of spice. With less than 500 cases made, Ray Signorello's belief is "make it **a knockout** and leave them wanting more." ***You will love this rare find!***
